<b>December 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st</b>	<i>(Christmas Break)</i>

We have worked hard to create an annual schedule that works best for our amazing families and our outstanding staff! Breaks allow us to do important cleaning of the pool and facility (draining the pool takes several days to empty and fill).

As a reminder, our membership is built on 47 class a year; therefore we are committed to providing 47 Sundays, Mondays, Tuesdays, Wednesdays, etc.

When we calculate the amount of our membership, we first tally up the total of 47 classes then divide the amount into 12 equal payments. We do recognize that some months have 3, 4, 5 lessons yet the fee is still the same. In the case of a month that has 3 lessons, we will take the "5th" lesson in a month (coming up) and "apply it" to a month that had only 3 lessons. We base our monthly lessons on an AVERAGE of 4 lessons per month.

At the end of the day, every membership has the same amount of classes annually no matter when your sign up.

Thank you for your patronage, and for being a member of the MPS family!

Heidi & Andy
